

CATTARAUGUS FREE LIBRARY YEAR IN REVIEW 2025

ELEVATOR PROJECT

We have been selected by our library system CCLS as a recipient for library construction aid! We are optimistically going to be able to begin construction next year!

This project was not possible without the strong community support over the years and we are very excited to announce more progress as the process unfolds!

We look forward to opening the upstairs and providing a large usable community room right in town!

ACTIVITIES

The library will be open for Christmas on the Bricks on December 12th!

We plan to have an in-person snow globe craft as well as our usual pick up a book and a craft!

We are also looking forward to continue offerings of in person and take home crafts through out the year!

Please follow our Facebook page for news!

SUMMER READING PROGRAM

This year's summer program was a great time!

We had groups show up for several crafts, the reading, and of course the magic show!

The magician, Paul Antonio, was a huge hit with the children and the adults that showed up.

We couldn't believe our eyes!

Be on the look out for next year's program!

WANT TO SUPPORT US?

Your support means a lot!

Without the support we have received projects like the opening of the upstairs would not be possible!

Donations help us purchase new materials! We try to put out around 28 new books per month, in addition to DVDs and TV Series.

Example Costs: New Books ~\$25, New DVDs ~\$25, New TV Series ~\$30

HERE'S TO ANOTHER GREAT YEAR!
